Before

EMPLOYEE RULES

All employees must come on time and the working hours are from 8 to 5 and the break is one hour and late more than 3 times will be deducted and the employee must inform the manager before any absence and the sick leave needs a medical report and the annual leave must be requested 2 weeks before and approved by the manager and HR .

it is forbidden to : smoke , use phone , eat in the production area , leave without permission

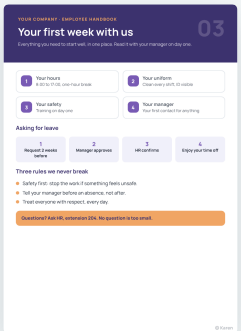

LEAVE : 21 days (30 days after 20 years) (45 for ???)

uniform is mandatory !!!

first day: go to HR, take the uniform, safety training, ID card, meet the manager

ANY EMPLOYEE NOT FOLLOWING THESE RULES WILL BE PUNISHED

After · my way

My tip: One topic per page.

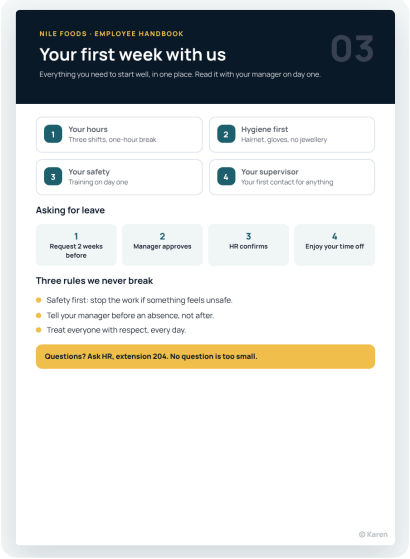

People look things up, they do not read a handbook from start to end. Give each topic its own page with a clear title, and they will find the answer alone.
