How I work

1. **Send your file, notes or idea**
2. **Get a free sample on your own content in 12–24 hours**
3. **Approve, then order**
4. **Receive editable files + 2 weeks of free revisions**

My tips

1. Workers often don't know the ISO rules they are asked to follow. Short modules with real examples from your own site fix that.
2. Write outcomes people can show: "check", "record", "apply", not "understand".
3. Keep attendance and evaluation records. Auditors often ask for them months later.
